

DIVERSITY DATA 2025

The data below sets out information obtained from our staff members and Partners who answered our SRA diversity data survey in 2025.

The survey is carried out every two years, and the next diversity data survey will therefore take place in 2027. To avoid the risk of identifying individuals, we have kept all occurrences where data totals below 10 private.

Total number of staff members who submitted information in our 2025 survey: 179.
